VI.—DEPARTMENT OF AGRICULTURE: EDUCATIONAL ACTIVITIES.

The department, through the States Relations Service (A. C. True, director), affiliates with the State agricultural colleges and experiment stations, under the acts of Congress granting funds to these institutions for agricultural experiment stations and cooperative extension work in agriculture and home economics, and in carrying out the provisions of acts of Congress making appropriations to this department for farmers, cooperative demonstration work, investigations relating to agricultural schools, farmers' institutes, and home economics and the maintenance of agricultural experiment stations in Alaska, Hawaii, Porto Rico, and Guam.

VII.—DEPARTMENT OF LABOR: EDUCATIONAL ACTIVITIES.

The Division of Citizenship Training of the Bureau of Naturalization has charge of the work of promoting instruction and training in citizenship responsibilities of applicants for naturalization by the public schools. This promotion work is now being carried on in over 3,200 cities and towns throughout the United States.

It furnishes textbooks, free of charge, to these students, and presents certificates of proficiency and of graduation jointly with the public school authorities to the adult foreigners in these classes who have taken steps to become citizens of the United States.

The public schools are conducting these classes jointly with the Division of Citizenship Training in industrial plants, mines, and logging camps, as well as in the regularly recognized public school buildings throughout the United States. It furnishes naturalization forms to employers of foreign labor, to groups of employees, and to other organizations to aid foreigners in their desire to become American citizens, and in stimulating a desire on their part to attend these classes for citizenship training in the public schools throughout the United States.

VIII.—INDEPENDENT ESTABLISHMENTS: EDUCATIONAL ACTIVITIES.
